If **approaching from Brussels centre**, you will need to drive under the Montgomery roundabout and then turn left at the Cavalry War Memorial, across the tram tracks and double back and follow the road along. You should take the right filter at the traffic lights. Pass a turning right and about 150 metres on your right you will see a sign “ P 168 ” indicating the entrance to our offices. Drive down to -1 (first underground level) and the Fulcra parking spaces are straight ahead. To access the lifts to the 7<sup>th</sup> floor please press the intercom by the door. When leaving the garage, you will need a jeton to put into the box next to garage door on level -1 to enter the garage, and when you drive out the garage door will open automatically.
